Jimmy Buffet has his "Coconut Telegraph," but he's got nothing on nature writer John

Lane, who sends his musings into the world each week in a popular newspaper column named after the ubiquitous green vine that's swallowing the South. Lane is a champion of the underdog, and what he seeks to protect is the character and the beauty of the place he lives. Lane, a much published poet and essayist, is a soldier for sustainability and a warrior for wildness. Using both wit and wisdom he takes on the environmental issues of our times, often by simply taking us on a walk through the woods or a drive up the highway.
