All My Patients Have Tales is a heartwarming and funny collection of stories by a dedicated veterinarian featuring wild horses, porcupine-quill-covered dogs, male cats in labor, an extremely ornery pygmy donkey, an enormous hog, as well as many other domestic, and not so “domestic” animals. Wells begins his work as an inexperienced recent college grad and emerges a caring and beloved veterinarian. Affording the reader an inside glimpse into his daily life, he narrates many uplifting, life-altering, lifethreatening, and hilarious episodes.
