Perfect for mystery lovers, this anthology collects together the only four full-length novels starring the super sleuth Sherlock Holmes. Published in 1887, "A Study in Scarlet" was the first novel to feature Holmes and presents a grisly murder to the

detective and his new-found companion, Dr. Watson. In "The Sign of Fou"r, Holmes must solve a perplexing case involving a damsel in distress, intrigue in colonial India, stolen treasure, a baffling murder, and four despicable ex-convicts. "The Hound of the Baskervilles"--perhaps the most famous of all Sherlock Holmes titles--features bizarre behavior and mysterious deaths on the Devon moors. In "The Valley of Fear," Holmes unravels the mystery of a dead man's mistaken identity and faces up to his old foe, Professor Moriarty.
