"Tender and delicate. . . . A sweet lesson in not getting what you want, yet getting what you need." — Kirkus Reviews

Mole thinks the moon is the most beautiful thing he has ever seen, and he wants to have it for his own. But as his friends Rabbit, Hedgehog, and Squirrel remind him, some things are not as simple — or as close — as they look! A lyrical text and cozy woodland illustrations portray this mole on a mission with gentle humor and charm.
