Meet The Farm Chicks "Mompreneurs" Serena Thompson and Teri Edwards have achieved super-success, winning fans everywhere with their creativity and family-friendly food and craft projects. In just a few short years, they've established an annual antiques fair, created a line of products (jewelry, clothing, stationery), and become contributing editors at "Country Living." Now, the pair has written their first book, which tells their inspiring story while also serving up 50 simple and tasty recipes. Interspersed throughout are 19 easy projects to bring Farm Chick style to your kitchen.
