Soft, luxurious natural yarns - who would want anything less for their baby or toddler? Tina Barrett shows us that 'natural' need not be bland with this range of funky and colourful crochet projects for babies and toddlers. These delightful chemical-free creations make use of beautiful yarns such as alpaca, soy silk, corn fibre, cotton, wool and bamboo. Projects include: corn fibre sundress and leggings, cotton toy rabbit, soy silk matinee jacket, wool hooded jumper, soy silk nappy stacker, alpaca blanket and floor cushion, plus a cotton sock gift set. This title appeals to the growing market of organic and eco-friendly baby products driven by ethically-aware, health conscious parents.
