Twisted Sisters 's Aspen Brooks can't catch a break-even during spring break...

Aspen Brooks trades in sand between her toes for shopping on The Strip when she agrees to go to Las Vegas for spring break with her boyfriend, Rand, her bff, Angel, and Angel's bf, Lucas. Their hotel is hosting the Miss Teen Queen Pageant and surgically enhanced beauty contestants are everywhere. But when Miss Illinois goes AWOL, it's up to Aspen to represent her home state and find out what's really going on. Even if it means putting down the suntan lotion and ignoring Angel's meltdown over breaking up with Lucas...
