

# Readings on the Development of Children

[Readings on the Development of Children\\_ 下载链接1](#)

著者:Gauvain, Mary (EDT)/ Cole, Michael (EDT)

出版者:

出版时间:2009-2

装帧:

isbn:9781429216494

The readings present readers with recent research in rapidly changing areas in the field of Developmental Psychology. Each reading is followed by a set of questions to encourage critical thinking. Designed to accompany either Cole and Cole's "The

Development of Children" or any other child development text, this collection of readings is a superb supplement in development courses or as the primary text in graduate-level seminars. Each reading is followed by a set of review questions.
