In this candid guide, experienced Peace Corps volunteers give the complete lowdown on all anyone needs to know before applying and volunteering, examining everything from the highly competitive application process to living like a local to Peace Corps rules and policy. The only handbook of its kind, this pragmatic manual provides answers that can't be found anywhere else. Containing the latest information and resources on Peace Corps programs, this is an essential reference for anyone contemplating the "toughest job you'll ever love."
