It's a big day for the Little Einsteins. Rocket is flying in the Great Sky Race. The Little Einsteins are sure Rocket will win--until he comes down with a bad case of hiccups.

The Little Einsteins launch their own plan to cure Rocket's hiccups by surprising him. But how do you surprise a rocket? Even the Little Einsteins are surprised by the answer! Building on the success of the Baby Einstein's 93% U.S. brand awareness, Little Einsteins maintains the unique educational philosophy of using classical music, art, and real-world imagery to engage and teach preschoolers about the natural world around them.
