Miso Pretty is oh-so hot! Featuring a line of sweet, feminine products adorned with

adorable anime art, it’s become one of today’s most successful and sought-after brands. Trendy young urbanites and college students snap up the cute-as-a-button T-shirts, cosmetics, lunchboxes, and more. Now, there’s something new for them to add to their collection: puzzles! Frank Longo, one of the world’s top puzzlemakers, has created the best sudoku around, and they’re gathered in a lavishly designed book with Miso Pretty images decorating the pages. It’s the perfect mental workout for the hip, young jet-setter.
