Two fully-animated stories following the never-predictable Gigi. "The Ginormous

Sneeze": Sheila Walsh asks: "Have you ever felt like your world was spinning out of control? Like there was nothing you could do-nothing your parents or your friends or ANYbody could do-to make things better? I think we've all felt that way sometime x2026; and being sick is no fun at all. But we must NEVER forget to pray " Based on Philippians 4:6-7. "A Trip to the Zoo": Sheila Walsh says: "Nothing makes us feel better than knowing we are special to God-and to our parents and friends as well. As a child of the Heavenly King, we know that we're loved 'royally'. On this trip Gigi will see how important it is to remember that ALL children are just as special to God as she is." Based on 1 Samuel 16:7
