Fearless Critic restaurant guides offer brutally honest reviews from undercover chefs and food nerds dining incognito and are totally supported by user funding rather than paid advertisements. The Fearless Critic is utterly unique in its candour, its rigor, its irreverent lack of deference to the sacred cows, and its devotion to finding a city's best food, wherever it may lie. Each review is a full-page long and includes a food rating out of 10, a feel rating out of 10, and practical information about the restaurant. The handy reference section lists all restaurants by cuisine, neighbourhood, and special features and offers a specific guide for vegetarians. Over just entertaining reads, these are essential references for anyone who eats out. Acclaimed critic Robin Goldstein and his team of local undercover chefs have created a blockbuster of a book, covering every corner of the District's eclectic dining scene, from the power steakhouses to the casual bistros, including DC area suburbs from Alexandria to Silver Spring.
