"Few children now have access to the open woodlands and grasslands

frequented by barn owls, but they can all enjoy the magic of the bird thanks to this lovely introduction." — Kirkus Reviews (starred review)

A young girl and her grandfather look for a barn owl night after night. Will a distinctive heart-shaped face appear at the window? Michael Foreman's lush, intimate paintings

are a perfect companion to Nicola Davies’ s lyrical text featuring intriguing facts about a rare bird indeed.
