The perfect prescription for preschoolers who may be visiting the hospital — and a healthy story-time choice for Maisy's loyal fans.

One day as Maisy is bouncing on her trampoline, she bounces a LITTLE too high. Oh, no! What will happen after she falls and hurts her leg? Maisy's friend Charley goes with her to the hospital, where X-rays, a cast, and an overnight stay ensue. Maisy feels strange to be away from home, but a friendly patient soon helps her feel better. Little readers will be relieved and intrigued to share a memorable — and perhaps familiar — experience with Maisy.
