This is the coolest journal ever and the perfect space for a girl to explore her feelings and express her creativity! She won't find intimidating blank pages here: instead, they're colourful and inviting, filled with friendly questions and prompts that make writing as easy as chatting with her best friend. There's room for pasting her favourite photos and cute girl-friendly designs like cupcakes and bright stripes everywhere. It's a pretty package - and the path to girrrrl-power and confidence!
