This two-book developmental writing series engages using with its environmental theme. "A Writer's Workshop: Crafting Paragraphs, Building Essays" engages developing writers with a hands-on, process-oriented, collaborative, and conscientious approach to writing, treating students as writers and writing as a dynamic process. Throughout, this text offers sound connections between its lessons and students' existing knowledge. It also explores why we study each writing skill and process, linking lessons to future application in the classroom and beyond.
