What issues and trends affect higher education and student affairs today? In this fully updated handbook, leading experts discuss the answer to this and other essential questions. They provide a definitive reference for student affairs professionals at all

levels of administration and management. The handbook offers specific, practical advice as well as broad approaches to planning and problem solving. It contains modernized discussions on such critical topics as institutional mission, institutional governance, understanding campus environments, finance and budgeting, assessment, program planning, staff selection, training and evaluation, and much more.
