Become a Master of History and Earn AP Credit REA's latest addition to the innovative Flashcard book series offers students a great way to study for the AP U.S. History exam. Unlike most flashcards that come in a box, our flashcards are bound in an easy-to-use, organized book format. With no loose cards to lose or misplace, studying is a breeze. Packed with 1,000 question and answer flashcards covering all aspects of U.S. History from Pre-Columbian societies to the present day, these flashcards let students write their answer to a question on the front of the card, and then compare it to the answer on the back of the card. The handy index allows you to quickly find a particular era in U.S. History and test your subject knowledge. Our Premium Edition with CD-ROM includes four test-readiness quizzes, timelines of all chronological periods covered on the actual AP test, and a concise U.S. History review. Perfect for self-study, for reference, or for a quick review, these flashcards will help you score higher on test day.
