As CEO of an event-planning company, sultry siren Nia Turner deftly navigates the corporate boardroom. No one would ever guess she's also an undercover agent for The Ladies Cartel. TLC is a clandestine organization that operates under the guise of selling Tender Loving Care body products--but their true mission is crime-fighting. Living a double life can be stressful, especially when Nia is dating sexy architect Steven Long. As she vigilantly attempts to identify the players in what could be the biggest sex scandal the city has seen in decades, Steven begins to suspect that she is stepping out on him. Nia gets caught in a web of lies and scandal that threatens to tear her relationship apart.
