FAMILY BUSINESS provides the next generation of family business owners with the knowledge and skills needed for the successful management and leadership of the family enterprise. The author, Ernesto Poza, uses both text and cases to explore a diverse set of family firms, examining the interrelationships between the owners, the family, and the management team. FAMILY BUSINESS, at its core, is a practical book that presents management and family practices to model success as well as an honest look at the advantages and challenges facing family enterprises. With an emphasis on leadership and positioning for the future, FAMILY BUSINESS illustrates how the family enterprise can achieve sustained growth and continuity through generations.
