New Orleans' lively spirit of determination is evident in the hundreds of restaurants, nightclubs, and hotels that have been rebuilt since Katrina From new interpretations of classic places to fresh establishments laying down roots for the first time, New Orleans is alive with excitement and adventure, and the locals are more than ready to welcome the tourists back. By way of a four-color foldout map as well as new color inserts, visitors will experience the new New Orleans, with current, reliable listings of what's open, what's opening, and where to find the most fun.
