Are you considering a degree in psychology? CAREERS IN PSYCHOLOGY gives you exposure to careers in each of the areas of psychology and prompts you to explore whether or not a major and career in psychology is a good fit for you. Salary and career information, advice on getting a job after graduation, and information on applying to graduate school in psychology help you make decisions about the career that is right for you. CAREERS IN PSYCHOLOGY is a must read for anyone majoring in psychology or considering the degree.
