This revised and updated biography by veteran race reporter Erik Arneson covers the rags-to-riches story of John Force and his rise from a penniless racer to the star of NHRA. The story of a career built on will and determination, guts, and unstoppable drive that combined with crew chief Austin Coil to propel an unknown racer into the spotlight, and victory after victory. Following Force's life and career from his start with no backing to his stratospheric success, this updated biography contains new photos of Force, of dramatic racing action, and takes the story of this seemingly unstoppable driver up to date.
