Join these living-dead abominations in a playful, episodic romp through the forest. You'll meet their adorable servants, the Woobies, who come in three distinct varieties: Devil Woobies, Bat Woobies, and Mushroom Woobies. You'll also meet the Skellies' faithful flying zombie steed, the dainty Pretty-Pretty Pony Macabre. She has some seriously bad luck! And, of course, there's the Skelebunnies' most bipolar and boy-crazy frenemy, Satan. Along the way you'll encounter the rather judgmental Baby Dwarf Bears, the savage Baba Yaga, the aptly-named Buttwing, and a host of other characters and stories. This 120-page collection includes all three original "Skelebunnies" one-shots, plus buttloads (40 pages!) of amazing and sometimes life-altering extra bonus materials.
