The cross-over no one asked for - or expected - is finally here! Too big for the movie or television screen, Dynamite presents the ultimate 'why not?' tale as Ash and Army of Darkness meets Xena, the Warrior Princess! Written by John Layman and illustrated by Miguel Montenegro, the first volume of our most unnecessary adventure finds Ashley J. Williams transported to the world of Xena and Gabrielle - and, most importantly, Autolycus, who of course, bears more than a passing resemblance to our main man Ash. Throw in the Necronomicon and an evil little Ash taking charge of a group of fairies (the winged kind) and hey, you've got yourselves a story!
