This title is soon to be an animated feature on Cartoon Network! Divorce is tough for any teenager, but when your Mom is a normal human housewife and your Dad is a 300-foot-tall, city-stomping monster, things get even tougher. This is Duncan Rosenblatt's reality. His Mom wants him to keep up his grades and go to community college. His Dad wants him to ascend to his rightful place as king of all monsters. After the life-changing events of "Firebreather: All The Best Heroes Are Orphans", Duncan must now contend with a long-lost relative intent on wresting his father's inheritance away - even if it means prying it from Duncan's dead hands! And who is the mysterious Isabel, and what will she mean for Duncan's future with Jenna? Plus - a prom from hell! Written by Phil Hester ("The Darkness", "Green Arrow") and illustrated by Andy Kuhn ("Blue Beetle", "Marvel Team-Up"), this volume collects issues numbered 5-8 of the critically acclaimed "Firebreather" monthly title.
