Developed by the National Center for Construction Education and Research Lead contributor: Dr. Annie Pearce, Myers-Lawson School of Construction, Virginia Tech This

module brings together the expertise of industry and higher education in defining a topic of growing international importance: green building. Geared to entry-level craft workers or to anyone wishing to learn more about green building, this module provides fundamental instruction in the green environment, green construction practices, and green building rating systems. Presented in easy-to-understand terms and illustrations, Your Role in the Green Environment will better equip learners to make decisions regarding their personal impacts on the environment and will make them more aware of how to lessen their impacts in the built environment. / Endorsed by Green Advantage(R) and recognized as beneficial to individuals planning to sit for the Green Advantage Commercial/Residential certification exam. / NCCER is recognized as a U.S. Green Building Council (USGBC) Education Provider. "This training program marks a major milestone on the road to more responsible construction practices and indicates that the tipping point in green building has probably been reached." Dr. Charles Kibert Director, Powell Center for Construction and Environment University of Florida "NCCER has developed a solid course that supports the training and certification efforts of Green Advantage for residential and commercial environmental certification." Grady O' Rear, Executive Director, Green Advantage "As a US Green Building Council Education Provider, NCCER is committed to enhancing the ongoing professional development of building industry professionals." United States Green Building Council Contren Connect An electronic code for Contren Connect may be ordered directly through OASIS at <http://oasis.pearson.com>. \*Trainee Guide Access Code ONLY 0-13-610663-3 Instructor Supplement Instructors: Product supplements may be ordered directly through OASIS at <http://oasis.pearson.com>.
