IDW is proud to introduce a new line of graphic novels that adapt some of the best-loved books of all-time. Next up is Daniel Defoe's "Robinson Crusoe". Shipwrecked on a deserted island, Robinson Crusoe has a solitary existence trying to survive from day-to-day by using the things that nature puts at his disposal. Many grim years pass, full of despair and danger, but Robinson always manages to confront his difficulties and survive. He is tenacious and philosophical, employing endless ingenuity and finding comfort in the Bible. After many years of solitude, Robinson has an incredible encounter: Friday, a young native, turns his life of silence and isolation upside down...
