The most innovative and practical dog training manual ever produced, Training Your Superdog contains everything you need to know to develop a happy canine companion. Starting off with advice on choosing a breed, acquiring a dog (puppy, adult, pure-bred, or rescue), and caring for him. This dynamic guide uses the latest research into canine intelligence to explain how dogs think, and provides detailed

information on how to communicate effectively with man's best friend and build a rewarding relationship that will last a lifetime.
