Building on ethnographic fieldwork and extensive historical evidence, *Crying Shame* analyzes lament across thousands of years and nearly every continent.

- \*Explores the enduring power of lament: expressing grief through crying songs, often in a collective ritual context
- \*Draws on the author’s extensive ethnographic fieldwork, and unique long-term engagement and participation in the phenomenon
- \*Offers a startling new perspective on the nature of modernity and postmodernity
- \*An important addition to growing literature on cultural globalization
