Bully prevention for kids in a unique and engaging picture book. Kids learn what bullying is, why it hurts, and what they can do to end it with this fresh, compelling book. With its sophisticated collage art, lively layout, and straightforward text, "Good-Bye Bully Machine" engages kids and keeps them engaged. Adults who share this book with kids can raise awareness and increase empathy by talking about bullying behaviors as fuel for the machine - and kind behaviors as ways to dismantle it.
