Some people do not know that "The Wizard of Oz" was actually the first of a 13-story series. "The Marvellous Land of Oz", the second story, brings the Scarecrow and the Tin

Man into new adventures in the Land of Oz. In this story, which is as equally entertaining as "The Wonderful Wizard of Oz", the Tin Man and Scarecrow are persuaded to help out a young boy who finds himself in difficulty. There is also flying furniture among the oddities.
