This exciting collection of 225 songs will help revitalize and reawaken congregational song. More Voices is a diverse ecumenical collection that combines the songs we have come to love with new inspirational music that congregations will enjoy singing. More Voices invites congregations and choirs to embrace global and contemporary music and adds breadth and depth to worship. Fully indexed by topic, category, and scriptural reference, More Voices is organized in clearly identified sections, and its coil binding makes it easy to use and comfortable to hold.
