Titles in Barron's popular series of " Pet Handbooks " are filled with reliable information and helpful advice on animal care. Written by breeders, veterinarians, and other pet experts, these photo-illustrated books instruct on housing, feeding, healthcare, and where applicable, grooming. Titles devoted to dog breeds also discuss exercise needs and training methods. Barron's " Pet Handbooks " resemble Barron's

alternate series, the " Pet Ownersa Manuals, " but each of the " Handbooks " has a larger page count and includes more detailed advice and instruction.
