Titles in Barron's popular series of "Pet Handbooks" are filled with reliable information and helpful advice on animal care. Written by breeders, veterinarians, and other pet experts, these photo-illustrated books instruct on housing, feeding, healthcare, and where applicable, grooming. Titles devoted to dog breeds also discuss exercise needs and training methods. Barron's "Pet Handbooks" resemble Barron's

alternate series, the " Pet Ownersa Manuals, " but each of the " Handbooks " has a larger page count and includes more detailed advice and instruction.
