It's finally here: the brand new edition of this bestselling handbook of obstetrics and gynaecology! The new author team, combining both UK trainees and highly experienced obstetricians and gynaecologists, have put together a wealth of practical advice on diagnosing and managing common problems and emergencies. Key evidence-based guidelines are supported by internet references, providing the most up-to-date clinical information as well as the perfect starting point for preparation for postgraduate exams. With its fresh layout, new content, and high quality illustrations, this is the must-have Oxford Medical Handbook for all those involved in the practice of obstetrics and gynaecology.
