Travel writer and Michigan native Josh Bishop provides an insider's view of the Upper Peninsula, from Mackinac Island's horse-drawn carriages and historic Grand Hotel to

the dense yet easily accessible Hiawatha National Forest. Josh includes several trip strategies that highlight the region’s unique sights, including a Waterfall Tour and a section devoted to winter activities like skiing and snowmobiling. Bishop also structures the book to guide travelers in a loop around the peninsula, making the information more accessible and easy-to-follow. Whether it’s exploring the miles of trails on the Keweenaw Peninsula or kayaking in Isle Royale National Park, Moon Michigan’s Upper Peninsula provides all the information needed for a more personal and memorable experience.
