著者:Geoffrey Chaucer

出版者:Oxford University Press, USA

出版时间:2009-1-1

装帧:Paperback

isbn:9780199555079

'Now listen with good will, as I go straight to my subject matter, in which you may hear the double sorrows of Troilus in his love for Criseyde, and how she forsook him before she died' Like Romeo and Juliet, or Tristan and Iseult, the names of Troilus and Criseyde will always be united: a pair of lovers whose names are inseparable from passion and tragedy. Troilus and Criseyde is Chaucer's masterpiece and was prized for centuries as his supreme achievement. The story of how Troilus and Criseyde discover love and how she abandons him for Diomede after her departure from Troy is dramatically presented in all its comedy and tragic pathos. With its deep humanity and penetrating insight, Troilus and Criseyde is now recognized as one of the finest narrative poems in the English language. This is a new translation into contemporary English of Chaucer's greatest single poem which can be read alongside the Middle English original, or as an accurate and readable version in its own right. **ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
