Genesis: Life after the Rapture is a chaotic battle for survival. Into the void steps Azul Dante, the charismatic leader of the Prodigal Project. He shines a light in the darkness of the End Times, his new world order representing a return to the promised land of the past. Exodus: Azul Dante and his Prodigal Project remain a beacon in the swirling maelstrom of uncertainty that threatens to engulf nations, ideologies, and faiths. While on quiet street corners, in darkened homes, abandoned offices, wherever two or more are gathered, a small band of believers begin again to spread the Word. Numbers: Special Agent John Jameson has been assigned a daunting task - to take out the vicious leader of the militant Islamic mujahideen that has been menacing the world. Caught between his duty to country and his newfound faith, Jameson has learned a terrible secret. Desperate to relay this information to the highest level of the American government, Jameson enlists the aid of journalist Cat Early. Kings: Azul Dante, the increasingly controversial figure whom some nations hope will restore order to the world, recovers from a recent assassination attempt. Behind the scenes, another and even more sinister force exerts its powerful influence at a gathering of ten world leaders.
