Journalist and Maine native Hilary Nangle knows the best ways to enjoy Acadia National Park, from biking through coastal forests and exploring iconic lighthouses to

visiting quant towns with great shopping and seafood. Nangle offers unique strategies that help organize trips around central themes, such as A Studio Tour: Artists and Artisans” and Lobster, Lighthouses and L.L. Bean.” Hike to ancient sea caves on Mount Desert Island, board a catamaran in Bar Harbor to observe whales and puffins, and enjoy fresh lobster at market price on the Schoodic Peninsula Moon Acadia National Park gives travelers the tools they need to create a more personal and memorable experience.
