As a longtime Austin resident and writer for the Texas Historical Commission, Andrew Rhodes knows the best ways to experience the Lone Star State. As the saying goes,

everything is bigger in Texas,” and Rhodes includes a colossal amount of sights and activities, from catching up-and-coming indie bands at Austin’s South by Southwest music festival to taking in the rugged beauty of Big Bend National Park. Andy also offers unique trip strategies that help travelers plan trips according to their interests, such as Texas Food an exploration of Southern cooking and Tex-Mex and the Overlooked Natural Wonders tour. With detailed information on surfing and fishing on the Gulf Coast, exploring museums in Dallas, and checking out Cadillac Ranch, Moon Texas gives travelers the tools they need to create a more personal and memorable experience.
