Road Trip USA covers the United States with 11 cross-country routes, allowing travelers to create their own driving adventures on America's two-lane highways. Packed with

practical information and entertaining sidebars, Road Trip USA provides:

- A flexible format that allows travelers to switch routes during their journey and choose from dozens of options for future excursions.
- Essential tips for the road: diners with the best apple pie, call letters of lively radio stations, and details on where to eat and sleep.
- Over 100 maps, Survival Guides for two dozen cities, and toll-free numbers for hotels, parks, and road conditions.

书评

发现在豆瓣是本沉默的书。  
因为几经美国的背包朋友和自驾一族推荐，所以在这里发文推荐给驴友/书友。  
是本老书了，好在现在已经有了及时更新的官网和不定期再版的新书。
