Who is Jesus? In *The Third Jesus*, Deepak Chopra provides an answer that is both uplifting and challenging to current beliefs. There is not one Jesus, Chopra writes, but three.

The first is the historical Jesus, the man of flesh and blood who lived more than two thousand years ago. The second Jesus is a person who never lived but is a figure created by the Church to represent thousands of years of theology and Church teaching.

Behind these two images stands a third Jesus, the radical, mystical teacher who taught his followers how to change the world. In *The Third Jesus*, Chopra explores Jesus' original message, revealing a spiritual guide of profound depth and inspiration that speaks to anyone who believes in the importance of peace and love.

By turning fresh eyes on the New Testament and returning to the essentials of Jesus' message, Chopra shows how the third Jesus can truly transform our lives—and humanity.
