It’ s High School Musical— rated R !

When the girl who’ s foresworn men meets the boy who’ s devoted himself to picking up women, there’ s bound to be drama—perfect for a sixweek summer program devoted to the arts. Olivia’ s summer goal: to write a musical that censures men with wandering eyes. Max’ s summer goal: to hone his acting skills, along with his talent for attracting the ladies. Before camp is over, they’ ll perform Olivia’ s musical onstage and in real life—though the ending may turn out differently than either expects.

Jake Wizner’ s story within a story takes the battle of the sexes to a whole new level in a bawdy, uproarious romp that’ s laugh-out-loud fun.
