Ever since her mother died and her father lost his shoemaking skills, Fortunata has survived by telling fake fortunes. But when she's tricked into telling a grand fortune for a prince, she is faced with the impossible task of fulfilling her wild prophecy--or her father will be put to death. Now Fortunata has to help Prince Leonato secure a magic sword, vanquish a wicked witch, discover a long-lost golden shoe, and rescue the princess who fits it. If only she hadn't fallen in love with the prince herself
