Looking around you in New York you might have to look up to see the city's finest features. From the Empire State Building to the Metropolitan Museum of Art, and Fifth Avenue to Broadway, must sees New York City hits the highlights. Sights within must sees New York are grouped according to Michelin's time-honored star-rating system, which for more than 100 years has guided travelers to the best a place has to offer. The Michelin Man symbol represents the top picks for activities, entertainment, where to eat and where to stay.
