The truth about how to get up to \$250,000 (or more!) in cash to invest in your business... without risking your personal credit history. Using these techniques, you can safely build a business credit history separate from your personal credit."Cash is the life-blood of every business; it fuels your business growth. Most business failures are caused not by a shortage of good ideas or know how but by a lack of operating capital. Trent Lee has cracked the code on this vital area of your business. He makes available a much needed resource that you can use to fund your business, finance your investments and achieve your business goals and dreams. I highly recommend that you make him a member of your wealth team."--Drew Miles, The Wealth Building Attorney
