Surrounded by vast mountain ranges and the forbidding sands of the Mojave Desert, Las Vegas is a Technicolor mirage simmering on the horizon with promises of extravagant casinos and international superstars of the stage. Must sees Las Vegas hits the highlights from the canals of The Venetian, to the vocals of Barry Manilow. Sights within must sees Las Vegas are grouped according to Michelin's time-honored star-rating system, which for more than 100 years has guided travelers to the best a place has to offer. The Michelin Man symbol represents the top picks for activities, entertainment, where to eat and where to stay.
