There's a new baby in the house?and it's not the only one crying. New moms cry happy tears, tired tears, and overwhelmed tears?and that's when the wisdom, sensitivity, and

empathy of women who?ve been there prove invaluable. In this book, you meet fifty mommies who?ve lived and loved through those terribly wonderful first months home with baby. From a first time mom faced with keeping her little miracle safe and happy once daddy goes back to work, to a mother who wonders how she will find time for the newest member of her already sizable family, these moving stories provide the support and reassurance first-time mothers need to enjoy their new role?and their baby?to the fullest!
